

Hello and welcome to the website for the Presbytery of Central Nebraska!

Our presbytery is . . .

Big: 32,500 square miles and 46 counties which includes the entire central part of the state from South Dakota to Kansas. It ranges from Sandhills cattle country in the north to vast irrigated cornfields in the east to the Platte River valley and its growing cities along the interstate.

Small: 36 churches
31 Ministers of Word & Sacrament
11 Commissioned Pastors serving congregations
3 Candidates/Inquirers in process for ordination
3973 members of churches

Collegial: Of all the presbyteries that I have served in 26 years of ministry, the Presbytery of Central Nebraska is the most collegial. We are committed to working together in our love of Christ, not dividing up according to theological ideology.

Take some time and look around our website and get to know us! If you have any questions, please don't hesitate to contact me at the presbytery office by phone, (308) 236-6996, or by email, polly@centralnepresby.org.

Grace & peace,
Polly Deppen-Williams
Executive Presbyter & Stated Clerk
