

## **YOUTH MINISTRY PARTNERSHIP FUND**

Money from the Youth Ministry Partnership fund may be used for the creation and expansion of youth ministry in a congregation or the planning of a special youth event. Grants or loans may be made from this fund by action of the Youth Ministry Committee to sessions, presbytery committees, and validated Presbyterian mission projects in the Presbytery of Central Nebraska.

Applications for the Youth Ministry Partnership Fund will need to provide goals, objectives, and a budget for the event/project. Each grant will be a one time grant so plans for future funding of the event/project need to be included in the application for original funding. A Youth Ministry Committee Liaison will be named to each event/project that is being requested and the named financial officer of the event/project will remain in contact with the YM Liaison during the planning and up to completion of the event/project. A written progress report on the project will be required within 30 days of the completion of the project. A copy of this report will be sent to the Youth Ministry Committee Chair and the Youth Committee Liaison. If for any reason the event/project does not happen then all of the grant or loan dollars must be returned or if the total amount requested is not used all unused dollars shall be returned.

Applications will be made on the attached application form.

Please return the application to the following address:
